

Creating a sustainable future for the region

Join us in Grosvenor Park for a festival of celebration designed to raise awareness of environmental and sustainability activity in Cheshire through a two day programme of interactive exhibitions, creativity, fun, science and technology!

Sunday 8th July – our traditional Family Day

Monday 9th July – seminars and workshops for businesses and schools

Photographs courtesy of Charlotte Houlbrooke

Themed marquees include

Food & Drink – find out why healthy eating and organic food production are moving up the agenda

Sustainable Communities – learn ways to lead 'greener' lives from local experts in sustainability

Wildlife – find out about what our Cheshire conservation groups are doing to help our wildlife

Out & About – discover low-impact ways to explore Cheshire's natural and cultural heritage

The Artists Village – be creative and view environmentally themed country art and crafts

The Global Dimension – understand how our local activity links into the bigger picture.
